VLAHOV accounting office provides complete outsourced accountancy services including finance, tax and payroll accounting, as well as business assistance and consulting (tax, finance, business processes). Our goal is to help clients to improve their business efficiency using our 20-year accumulated experience, advanced technology and business intelligence software.

Tax

We are a full-service tax office (VAT, tax on profit, personal income tax, etc). It is part of our service to provide you tax peace of mind.

Accounting

Summarize your total business assets, liabilities and net worth at a given point in time and presents your monthly breakdown of sales, cost of sales and expenses.

- Profit and Loss Statements

- Balance Sheet
- Bank Reconciliation
- General Ledger Report

Payrolls

Treat yourself confidential, cost-effective complete payroll service. Result of our performance are professional, computer-generated payroll reports for your employees and all related tax and other payments.

Support

If you want improve your profitability, use our assistance in the interpretation of your financial records and reports. We will help you analyze your expenses to control unnecessary outflow, reconcile your bank statements to avoid costly money leaks, and suggest new procedures or programs to uncover additional opportunities.
